## ABOUT ADRIANA HARLAN & HER BLOG :

Living Healthy With Chocolate is a food blog specializing in Paleo, Vegan, gluten-free and low-carb recipes. The focus is on clean, real foods and every day ingredients. The blog was founded in 2013 by Adriana Harlan and in the years since, it has become wildly popular. Adriana is the author of the *Paleo Desserts for Dummies* cookbook. She specializes in recipe development, video production and content creation, as well as helping brands grow their social media influence. She is interested in working with like-minded brands that share her vision of total health and wellness through food and lifestyle.
